

MEET YOUR FAMILY DOCTOR

With more than 20 years of primary care experience, Dr. Warren Looney brings a warm, patient-first approach to your PMR clinic. He is excited to get to know you & support your health journey!

Dr. Looney shares that, “I strongly believe in a traditional practice of medicine by serving my patients in all healthcare settings to ensure continuity of care. I am comfortable taking care of all patients; from Pediatrics to Geriatrics, from critically ill to stable.”

Dr. Looney’s drive to help people has followed him outside of the exam room as well- he spent several years providing disaster relief and has supported the American Red Cross, United Way, and the Salvation Army.
